

Lapworth Surgery Update

6th January 2021

Dispensary

Opening hours are now back to normal

Monday to Friday 8.30 to 1pm & 2pm to 6.30pm

If you are housebound or due to current lockdown restrictions do not have anyone to collect your medication from the surgery, then please speak to one of the dispensary team for assistance

COVID Update

The South Warwickshire Federation call centre will ring patients who are eligible for the covid vaccine as soon as dates are confirmed for delivery of the vaccination

They will call the patient twice approximately 4 hours apart.

The first patients called will be the over 90 years of age, then over 85's and over 80's

Housebound patients will be contacted via another service when vaccines are available to administer to housebound patients

We are hoping for a delivery within the next week and once we have confirmation patients will be informed

You can also ring the Surgery and press button 3 for COVID Vaccinations updates as well as looking on our website www.lapworthsurgery.co.uk

If you have difficulty in attending these clinics and require transport assistance to get to the centre, then please contact VASA Tel 01789 262889

Please note there will be a charge for this transport service

Thank you for all your help and support during this time and please keep looking at our website and by pressing 3 on our telephone lines for updates on information as we are informed from NHS England
